FOR APPELLATE JUDGE, HON. ZACHARIAH WHEAT, of Adair. FOR CLERK OF THE COURT OF APPEALS, HON, GEO. R. McKEE, of Pulaski,

MONDAY, JULY 26, 1858 THE HARMONY OF THE AMERICAN PARTY. - The merican party was formed for patriotic purposes. inspired by his beroic manliness in It was organized for the maintenance of the Union, sional struggle. Accordingly, they invited the protection of American industry, the cultivation deathless old Senator to partake of a public dinner. of American nationality, and the preservation of spread out under the very trees in whose branch truly American institutions. Of all the parties that he had chased squirrels when a boy and above the have ever been organized in the country it is the identical green turf on which he had goulded bare most national in its organization and conservation. footed in his schooldays. A compliment so go neron It deserves the cordial and enthasiastic apport of and touching was not to be declined. And it was not every citizen, whether native or adopted, who desires to promote the welfare of the State and of the nation. Its platform of principles is broad enough for all to stand upon together. Its candian and tonehing was not to be declined. And it was not declined. It was accepted as cordially as it was the nation. Its platform of principles is broad enough for all to stand upon together. Its candian also the presence of "a cloud of wise that nearly the whole enough for all to stand upon together. Its candian also the presence of "a cloud of wise a carried into effect most magnificently abolitionists when he knows that nearly the whole of his own party in his own section are denouncing enough for all to stand upon together. Its candidates are men who are fitted by hirth, education, and training for the offices to which they have been mile distant from Verszilles, was one of those im-

lish the principles of the American party as the mosel policy of the Scate and federal governments.

A party organization can only be santained by a party organization can only be santained by a party organization can only be santained. When the principle is a second to the santained of the army to transport the world of the santained of the army to transport the world of the santained of the army to transport the santained of the santained of the army to transport the santained of the santain

They should on me account allow personal predilection. He had returned to be arraigned by a porto in preferences or dielkes to influence their tion of his publical antagonists for betraying in that a man and to rise above their allegiance to great sormy delease the rights and even the honor of 1; the party which sustains there and attempt to de-

the individuals selected, and even when they are a silvent children and their children and their children and their children party, yet for the aske of party necessive they invariably support the party nominations. They are as true as the needle to the pole in their neverent admiration in their eyes. He had no vince the party numbers however widely a support the party numbers of their never numbers of their never numbers of their never numbers of their never numbers. su part of their party naminees, however widely in Keotrocky in the approaching election will be the harbinger of its success in the nation in the next national contest for President. The Democratic leaders are themselves convinced of this great fact. It is for this that they are bringing to bear upon our local election all the power and influence they could hope to command in a Presidential election. They are looking to the future. Those who are opsed to the radicalism of Democracy should likewise do so, and they should be prompted by every effection of particism and duty to give their free and full and zealous support to the nominees

that can possibly contribute to their success or awell their majority.

It was entirely admirable. Mr (rittender, in attention of fine, with his accustomed tact and taste, though the Sate human of Mr. though John Joyes is certainly a very violent Demotraitic partition. We have no other than the very

cratic partition. THE DEVINCEATIC CANDIDATE TOR JUDIE, -AI | not without doep felt emotion, made the most skillkindest feeling toward him personally. We have many pleasant momories of him that we will not let embodiment of character. We hope 10-morrow to be obliterated or darkened by political considers. lay some of the more important portions of it before principal

But we have strong o' jections to Judge Joyes as applause by the whole nation. a candidate for the Judgeship of the City Conrt, He les some foelings if not some principles, that no oc-cupant of the bench should have. We may illustrate what we say liv an example. On Saturday Main street between Eleventh and Twelfth to see throng was discussed with a gueto only less expuis the dead body of Thor. Allen, killed in an affray the site than that with which the eloquence of the horored guest had been devoured before it. The dinner and this larguage-"the d-d rascal that did it ought to be hung, and, if the law down't hung him, the people

So h lang are approxing mobilaw and directly i iting to it, would be lad enough as coming from any person whatever, but, intered as it was by a pant of the bench who now stands forth · a candidate for election to the same high position, to not merely extraordinary but startling. The e-lion of the interer of such language to a Judge-p his elevation to the important and highly rede offer of conservator of the laws, could not and the r avowed anxiety to establish in Louisville of sophistry with which the La ing. If they do vote for him, and if their organs rage them to vote for him, les us never hear has seldom, we think, been more from any Locofoco source another syllable as to the favorite method than in his brief e see-alty or the desirableness of making Louisville The aspect under which be placed the subject before

sted to him, there is no doubt. He is tellects of the State. He was followed, for a les lar too honest and hold a man to deny it. And, if minutes, by Gen. Combs, in that live any deny it, we shall promptly and conclusively nor, anecdote, and declamation with which the gal-

a was poor to some of the enti-Imancipationists his youth and lively hearing. The tremeral's testing line left was about the time he stigmatised mouy to the gallantry of Mr. Crittenden's deport

to pation candidates in 1849 for the flercest spirits, and say what no other man had it Then be doesn't recollect right, and courage to say, and no one centradicted hine. Out be takes no pairs to received right. Very frequenter or had their difficulties and smarr, but it one day be would rather received wrong than right. We to attack that old right turning it Mr Criticals. cipation can idate for the Legislature in 1849. We in the course of his tentation, pave osed the Councipation candidates as carne vigorously as he did-to say the least.

CT The Lexington (Perver says that our friends n that vicinity never exhibited more political zea thin they do now. We are not at all surprised a this. A people, who have in their midst the dead note of Henry (lay to inspire them with love for the principles of one party and the living body of his recream on to I'll them with disgust for those of the other, may well be expected to be argent

ESA young gentleman, who probably wrote Friday morning, repeated the whole substance of is the shape of a speech to a Democratic meeting of briday night. So the thing served a double pu pres. It was as neefal as the article of furnitur described by Goldsmith:
"The ceneb contrived a double debt to pay,
A bod by uzul, a cheet of drawers by day."

We see that A. Dudley Mann is writing spin in the Virginia papers in favor of his proje ine of steamships between Norfolk and some Euro pean port. Let him carry out that great enterprise and, Instead of being merely "A. Dudley Mann," he will be the Dudley Mann.

A writer in the Ohio Statesman, under eignature of "Licking," appears in behalf of S. S. Cox, the traitor. Cox is welcome to all the lickings be gets, and we hope there will be a host of the contains uch state ings be gets, and we hope there will be a host of the contains the We are told that an old, antiquated Dame

made a speech in Nelson county the other day against Judge Wheat. But there is no danger that our Wheat will be attacked by rust, though assailed by rusty politicians.

The Democrat of Sa arday had nineteen comrunnication, editorial articles, and paragraphs
about the Journal. Why did the editor give out before making up the score?

GTA Washington correspondent f the New
